

DOCTRINAL STATEMENT

House of the Messiah Ministries (www.WeAreNotGod.com) was first envisioned in the fall of 1987.

Its Doctrinal Statement was noted then and remains to this day as follows:

We acknowledge and recognize ALL SCRIPTURE, The Holy Bible, Old and New Testaments, with emphasis on Rev 22:18-19 | Deut 4:2 | Prov 30:6, as GOD BREATHED, useful for teaching, rebuking, correcting and training in righteousness (2 Tim 3:16), to all and for all ages, in the name of The Father, The Son, and The Holy Spirit.

JESUS CHRIST is the Son of God; He was born of the Virgin Mary (God incarnate), out of Spiritual Conception, as promised by God our Creator and Heavenly Father; was crucified, pronounced dead, buried, raised from the dead on the third day, as God promised, and whom, in this very present day and at this very moment, sits at the right hand of His (Our) Heavenly Father awaiting His glorious and triumphant return ... while, The Holy Spirit (our Advocate), will never leave us while guiding our every step! (Proverbs 3:6)
